A special meeting of the Church Corporation will be held on March 1, 1981 immediately following the morning worship service. A quorum of 30 members is required to conduct business.

Article 1 - To act upon the following bylaw change: To amend Article 11.0, paragraph 1, sentence 1, line 4, by substituting the word, "fourth," for the word, "third," so that if adopted, the sentence would read: "The annual meeting of the Church for the election of officers, board and committee members, approving of reports and proposed budget, and the transaction of other necessary business shall be held on the fourth Tuesday in May."

Article 11 - To act upon a proposal to permit the use of the church premises for a "day school for three and four year old children."

LENTEN BOOKLET For the past two years, we have compiled a booklet for use during Lent. Do you have a favorite poem, saying, or "in your own words message" to share with us? Ideally, each page contains a Bible verse, your special contribution and a prayer. Please give your selections to Kathy Whitley or Barbara Littlefield during the next two weeks. If you are unfamiliar with the booklet, stop in the church office today.
